Good morning Ali:

Ex. 6 Personal Privacy (PP)

are good with March 27, 2020 to meet Mike Makerov in Gallup. Please keep me informed in case there are any changes in the date. I have already informed the Ex. 6 Personal Privacy (PP) that they will have to go to the NTUA and CEDC to submit documents and that authorize Iina Baa to do all the leg work on utility connections.

Vivian,

I was able to connect with Mike M today regarding the purchase of the mobile homes. Based on when schedules align, can you please tentatively mark Friday, March 27th as the day to meet and purchase the mobile homes? Arcadis is going to confirm one more time the documents required and then I will let you know what Ex. 6 Personal Privacy (PP) need to have present with them for the purchase.

Also, I will be reaching out to lina Ba to see when they would be able to perform the percolation test (for septic system design) and when they could go with the Ex. 6 Personal Privacy (PP) to submit the utility applications. I will let you know when I hear back from them.

Thank you,
Ali
